TAKE A SELFIE HERE!

TAKE A SELFIE HERE!

LET'S TALK ABOUT IT!

1

If you saw **dogs** in the Dog Park, do you know what kind they were? Were they having a good time?

2

Was the **pine tree's bark** smooth or rough? Is the **bark** on a tree the same as the **bark** from a dog?

3

If you found **insects**, did they have wings or make any sounds?

4

Bet you saw some **Spanish moss**, right? Was there lots of moss? Was it on the ground or hanging from trees? Or both?

5

If you found a **Faerie House**, could you make up a story about an **imaginary** tiny family living there?

6

Did you read the sign about how you know the **age of a tree**? Do **tree rings** tell you anything other than how old a tree is?

7

If you found a **feather**, do you know what kind of bird it came from?

8

If you saw a **bird**, did you also hear it? Can you repeat the sound of its song?

9

If you found **flowers**, what were the colors? Did they have a scent?
